Essay On Importance of Games and sports in life.

Introduction:-

It is fine saying that sound mind in a sound body. Our body is like a machine. A machine cannot work without oiling. In the same way, our body cannot work properly without exercise. games and sports. They give us energy.

Necessity:-

We are students. It is our duty to study. But we cannot study all the time. There is a limit to our energy. so, it is correct to say that all work and no play makes Jack a dull boy.

Importance :-

Games and sports make us disciplined. They keep the machine of life run smoothly. They teach us co-operation. Every player thinks of the team. They develop the spirit of self-sacrifice.

Conclusion :-

We must take part in games and sports, but not at the cost of our studies. So, a balanced view is very necessary.

Ans- I - Nelson Mandela thinks that the freedom and democratic government have all come only due to the great sacrifices of lots of patriots.

They were those people who did not care about their lives and died for their citizens and country. They can not be repaid. Also he thinks himself the sum of all those who had sacrificed their lives, now he regrets that he could not thank them.

According to Mandela, the policy of apartheid greatly wounded the people which was hard to recover and would take much time. These great patriots were Oliver Tambo, Walter Sisulu, Luthuli, Dadoo, Fischer etc.
